

His Resting Place

5-8 August 2021

Canberra House of Prayer

*We who have believed
enter that rest*

Hebrews 4:3

HIS REST is crucial in these turbulent days and remarkable times.

The peace and rest in the hearts and lives of those who know their God, will emulate their Saviour and Lord's in the stern of the boat in the fury of the storm.

As everything that can be shaken is being shaken, the King and His kingdom will have preeminent focus and be the good news proclaimed.

This strengthening and encouraging gathering includes hearing through one another of our experience of His rest. It also provides ample time for heart connection as the Body.

Please feel free to share this invitation.

Arriving from 4:00pm on Thursday 5 August and departing from 1:30pm on Sunday 8 August. Day visitors most welcome. See the following page for details.

Facilitated by Colin and Tina Maree Brown from the Hunter Valley, who have ministered across the broad spectrum of the church, and facilitated gatherings, since 1996. Standing with them and sharing also at this gathering is Jamie Pryor. Photo: Colin, Tina Maree and Jamie.
